Hi Jackie,

I think it worth speaking with Nicole, we just want someone that brings independence to the role. If no good there perhaps we should try Chris Devereay and perhaps send it out to tender or expressions of interest.

Regards

Hi Tony,

Just keeping you updated.

I asked Gail Mason but she has too much work on at the moment and didn't think she could manage it.

I have arranged to meet with her next week as she said she had a few ideas.

I have also been thinking about Nicole Asquith again - maybe we should consider her? She has experience with the history and the AVP in the past and she seems objective enough. We could also have her suggestions first hand about language.

Jackie
