Thanks Murray,
 I have had a quick look through and it looks very comprehensive - I don't think there is a specific format, but all the information looks like it is there.
 I am meeting with Tony and my manager - Shobha Sharma - tomorrow and this proposed evaluation/review is on our agenda.
 Best regards
 Jackie

Dear Jackie

Please find attached a draft proposal to conducted the research discussed. Would you mind having a quick look at this and letting me know if this is the kind of format you are after? We are happy to amend if needed.

Kind Regards
Murray, Stephen and Thomas

Hi Murray,

I've asked the Strikeforce Parabell team leader for a brief summary of what they are doing which will complement the points below. I will send that through as soon as I get it.

We don't have formal specs but following a meeting of a number of key stakeholders at which the Strikeforce presented their findings so far, and listening to some of the points raised by both Stephen and Nicole, amongst others, Supt Crandell felt it would be valuable to seek an independent, qualified 'assessment' or evaluation if you like, of the Strikeforce's approach and results.

Exactly how this evaluation is completed is up to you, but we expect the following to be included:

- An independent evaluation of Strikeforce Parabell's (SP) review of the identified 88 deaths during the late 70s, 80s and 90s
- An examination of the process and method used to conduct SP including the application of NSWPF Bias Crime indicators
- Access and review original source materials as needed
- Research and provide an introductory section detailing the historical context of policing during this period and a commentary on investigating deaths of men identified as gay or transgender during this period
- Provide a conclusion including comment on the efficacy and quality of SP's review, the outcomes of the review, does the researcher agree with SP outcomes/determinations?
- Provide recommendations for future policing, community engagement, training, development of bias crime indicators/processes
- Provide relevant recommendations for future directions of the GLLO program
- Produce and publish a research article
- Throughout this entire process maintain close contact with the Corporate Sponsor Sexuality & Gender Diversity and the Senior Programs Officer (S&GD)

Please feel free to contact me if you would like to talk through any of the above.

Regards, and looking forward to your response.

Jackie

Subject: Anti-gay homicides in NSW

Dear Jackie

Hope you are well.

I am just contacting you in regards to the review their findings about anti-gay homicides in NSW. A team of myself, Professor Thomas Crofts (Law Professor U-Syd and Homicide Law Expert), and Professor Stephen Tomsen (UWS expert on anti-gay homicide) may be interested in tendering for this project. Are you able to forward more detail? We know basically what is required but would be able to finalise a tender quickly if we can have as much information as possible.

Kind Regards

Murray Lee
