Sirs

latest update from SF Parrabell. As discussed majority of team will be returning to their LACS as of the 10/9/2016. 3 have already gone back due to various internal issues (maternity leave, complaint, transferred to User charges). 2 will be staying (BORG - EBLAC and RYAN CofSyd LAC) for an additional 6 weeks from 10/9. This should see the end of the documentary review process.

Next SF Committee review meeting is next Monday 12/9.

Mr Crandell - due to your absence and I know that you want to personally thank the team members I have informed Cameron to ensure that he organises a formal morning tea for the team in October in which you can present them with a Parrabell plaque (which I have already done)

Regards

Middo

Sir,

As per the updated 'Bias Crime Indicators' our current indicators stand at;

- **BIAS CRIME (BC) - 8**
- **SUSPECTED BIAS CRIME (SBC) - 12**
- **INSUFFICIENT EVIDENCE (II) - 18**
- **NOT A BIAS CRIME (NBC) - 23**

There is potentially one more case noted as BC - Case 70 THOMAS which we are waiting on court transcripts, if available, to determine why the offender was found not guilty at trial.

= 61 COMPLETE

- 6 cases where additional source documents have been sourced and are currently under review - ALL NSWPF case file items have been received and reviewed.
- 5 cases are ready for reports to be prepared
- 3 cases reports are in progress
- 2 cases reports completed and currently in the review process/finalisation by DSC BIGNELL
- 6 cases we have not been able to locate any case file items for - matter of TRAVERS occurred in TAS (confirmed by Death Cert.) - WARK CASE FILE ITEMS HAVE BEEN LOCATED

= 83 CASES (+ 5 RETURNED TO UHT = 88)

If you require any further information, please let me know.

Kind regards,

Cameron Bignell
