Hi all

Dr Dalton is confirmed for his visit next week.

I know there is a Strikeforce meeting from 10am-11am at Surry Hills already.

I am proposing this as a rough agenda if it suits you:

9am-10am - meeting with Supt Crandell

10am-11am - we (Dr Dalton, Shobha, Sgt Steer and myself) can either join you for your meeting or have a break - leave this up to you

11am-12.30pm - Strikeforce Parrabell presentation of methodology and results to date

12.30pm-1.30pm lunch

1.30pm-5pm - informal time with Strikeforce team to discuss results to date and how to progress from here

Dr Dalton would also like to see some of the relevant geography - Sgt Steer and I will take him to Marks Park either Thursday pm or Friday pm

Let me know whether you think this agenda will work for next Friday.

Jackie
