Mr. CRANDELL welcomed and opened the meeting.

Discussion surrounding the first meeting initiating in 2013 and the progress made from Mardi Gras 2013. All recommendations made to improve policing of Mardi Gras, including the Mardi Gras Accord, are still current and reviewed regularly.

Importance of having stakeholder meetings and bringing the different agencies together to discuss ongoing issues and ways to strengthen the community.

**Actions from last meeting:**

Mr. CRANDELL to advise other LACs of induction kits and including LGBTI initiatives and education recourses. Will make contact and advise at next meeting.

Discussion: trends in Bias crimes and reporting issues amongst the LGBTI community. Individuals are reluctant to report crimes based on Police response and their hesitation to believe anything will be done. SGT STEER to address later throughout the meeting on Bias Crime and Police response.

Operation Parabell inquiries. Possible share of resources and information between NSWPF and ACON. ACON advised Mr. CRANDELL that they did not have any files relating to two particular cases in 1979 / 1989.

**ACTION: CST DE CASTRO TO FOLLOW UP RAINBOW RUN.**

**Arising agendas:**

**Roy BISHOP: MP office**

Apologies for Alex GREENWICH – attending a meeting in Canberra regarding Marriage Equality.

Zero issues coming into office regarding the community or any Police interaction with the community.

**Pip DITZELL: City of Sydney**

Working hard on Mardi Gras preparation.

Sharing a stall with DV NSW at Fair Day

**Terence HUMPHRIES: Twenty10**

CEO Brett Paradise has resigned and there is currently recruitment activity for the next CEO. The new website is finally live. Summary of Mardi Gras events planned.

Mr. CRANDELL confirmed that a NSWPF bus will be available to transport young people back to safe public transport as per previous years.

**Michael ATKINSON – ACON:**

Working on Mardi Gras and sharing a stall with ICLC at fair day – Fair Play Project. ICLC working on an information leaflet, especially for international guests, to inform them of NSW law and police powers.

Mr. CRANDELL and CST DE CASTRO advised and spoke re strip searching legislation. Suggested they get in touch with Brett Wall regarding Drug Dog operation and participation in Fair Play volunteer training. Also to include Insp Mandy Hancock in communications. Discussion regarding targets and priority with Mardi Gras drug operations being safety of all patrons and treating people fairly.

Discussion on Bondi Memorial and the focus being on the survivors of the abuse associated with the incidents.

Further discussions into Operation Parabell and ACON's project on the alleged 'gay hate' cases during 80s and 90s. Acknowledgment that the two projects are different – Parrabell is reliant on evidence, facts. ACON's project is not privy to this information. Recommendation made for Parrabell and ACON to meet prior to releasing project reports. Discussion on the potential impact on the community and confusion leading to undermining of both projects. Discussion on the need to protect confidentiality for families.. Michael also outlined IDAHO-T community grants and This is Oz, as well as a new DV grant to support working with male victims.

**ACTION:** NSWPF will invite ACON to sit in on a meeting with Flinders University.

#### **Judy/ Ray BROWN – PFLAG:**

Judy discussed writing a submission for Marriage Equality.

Receiving ongoing inquiries regarding individuals coming out. Recent discussion about multicultural support networks to assist those of different cultural backgrounds. Possible referral to MACLOS and working alongside the GLLO program to offer support to those persons.

#### **Jackie BRAW – NSWPF**

Year planning, beginning with Mardi Gras and initiating partnership with WIP.

IDAHOT day – Attending Northern region (Possible Lismore) to run an event up there. Giving other areas a focus with LGBTI inclusion.

WIP focus at Parramatta. Continuing events etc in the CBD but moving the focus again elsewhere. Inclusion for other LACS.

Focus of this years GLLO conference is Diversity within the agency – Pride and Diversity will play a major role.

#### **SGT STEER – Bias Crime Unit NSWPF**

Definitions adopted by the US strategy on what is a bias crime. *Criminal Offence targeting a person/ property or social aspect.*

Areas of a Bias Crime include: Race, religion, Ethnic Background/ national origin, disability status, homeless status, Sex/ Gender, gender identity, Age and sexual orientation.

Discussion Questions: Is there a rough number of recorded cases of LGBTI bias crimes?

Unable to comment on numbers – unsure due to unreliable data. Possible Transgender community increase in reporting in the last 6 months . High issue with individuals reporting crimes to Police. Afraid nothing will be done therefore it prevents them from reporting incidents. A lot of incidents go unnoticed, Police unable to record data and gather intel.

Further discussion into 'Hate Crime' legislation. ADA unable to be amended or further legislation made.

**No further outstanding actions to be addressed. Next meeting to be held post Mardi Gras possibly in May. TBA.**

**Close.**
