Operation Parrabell Charts Final Results 160217.docx

Hi Derek

As discussed on Friday attached is the final Parrabell results. They are in 3 categories - overall results, solved and unsolved.

Again great to meet and talk with you and Wilhelm - good luck with your review (sounds like yours is far far more complicated than ours). Anything I can do to assist - drop me a line anytime.

Regards

Craig Middleton | *Detective Chief Inspector*
