Dear Assistant Commissioner Crandell,

That is fabulous news. I am obviously delighted that NSWPF was able to accommodate this request. We appreciate the time and support that you have personally provided in securing this variation.

As it happens – I was slapped (ever so gently) over the knuckles for signing the last variation. Apparently I did not have “delegated authority” to do so. [As project leader I assumed I did!]

I will send this variation to the person who does.

Thanks again and have a good night.

Regards

Derek

Hi Derek

Attached to this email is a contract variation which seeks to make a single inclusion in the existing agreement to capture your request for additional funding.

If you can sign off on the variation, our strategic procurement area can countersign pending an arrangement for payment.

Regards

A/Assistant Commissioner Anthony Crandell | Commander
Education & Training Command
Level 5, 20 Charles Street, Parramatta NSW 2150
