Boss

Forgot to send you the final result codings (of which the graphs are sourced from). You now have the complete package !!!!. Once I have the final approval from yourself I will up load the case summaries, codings and graphs into eaglei. I would also like to upload your completed executive summary including Derek's academic report for closure. Then I think we can officially close off Parrabell :)

(See attached file: FINAL RESULT CODINGS 05102017.xlsx)

From memory I think you also want a list of officers who worked on Parrabell - I will compile that and send it though over the next few days. Some staff got rotated and at least one was sent away as they were a dud ! - so I will cull them off.

Cheers
