**Subject:** Re: Truth and Justice Report - UPDATED

Hi Nic,

Thank you for sending this final draft through. I have not yet had a chance to review it, however I was pleased with the last version and amendments made. Thank you and the team for your consideration.

I still don't have permission from the Commissioner to release the Strike Force Parrabell report, although I am hoping that we get word through soon. Once I have that advice I can determine what will and will not be released; and then look at getting documentation to the printers etc.

I will let you know once we have a release date confirmed which should give you some lead in time.

Regards

Anthony Crandell APM  
Assistant Commissioner  
Commander, Education  
and Training Command
