Subject: Re: Operation Parrabell Release

Hi Nic

Yes we are releasing the Parrabell report and academic review next Wednesday. I just checked with my office and can confirm that a copy of the report is in the mail to you, however it is not likely to arrive until Monday.

Hi Tony

I hope this finds you well.

Tony, I just received a call from a journalist (Mark Reddie, ABC) who mentioned that the Operational Parrabell report may be released next week, and if we would have any comments to make.

I was just wondering if this was the case, and if so, would it be possible to see an embargoed copy beforehand? I would expect once it is released we will get calls from other media too, so it would be great to know what the findings and key messaging will be.

Many thanks Tony.

Cheers

Nic
