Hi Shobha, Tony

I had a quick go at this just with the knowledge I have about the history of Parrabell (back when Geoff was doing it) and current history/scope. It should be quite easy to fill in the missing bits and complete this RFQ.

In was given another name of a researcher who may know someone who could be interested in submitting a third quote - Peter Aggleton from UNSW.

Maybe we could finish this RFQ and resend to our existing two quotes and a third (if they are keen)??

Jackie
