Dear Ms Garaty,

### Special Commission of Inquiry into LGBTIQ hate crimes

As you are aware, I assist the Honourable Justice John Sackar in the Special Commission of Inquiry into LGBTIQ hate crimes (“the Inquiry”).

#### Summons to Produce: NSWPF55

I refer to our previous correspondence regarding a request for two documents referred to in Geoffrey Steer’s oral evidence on 12 and 13 December 2022.

In particular, I refer to my letter of 20 December 2022 (**enclosed**) in which I outlined the two documents that were requested, namely the excel spreadsheet provided to Sergeant Steer in or around December 2016 (“the first document”) and the case summary documents for each of the 12 dip sample cases provided to Sergeant Steer by email (“the second document”). I refer to your email dated 21 December 2022 in which you indicated that you were seeking instructions in relation to the first document and were attempting to locate the second document.

I also refer to my follow up emails dated 19 January 2023 and 03 February 2023 in which I requested an update on the provision of the documents referred to during Sergeant Steer’s evidence. I note that I did not receive a reply to these emails.

In these circumstances, please find **enclosed** a summons seeking production of the above documents (NSWPF55).

#### Timeframe for provision of material

The summons is returnable on **Friday, 10 February 2023**. Your cooperation with this timeframe is appreciated.

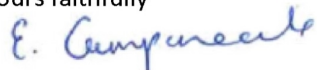

In the event that you anticipate any difficulty with this timeframe, please forward a request for an extension of time in writing. To assist his Honour in considering the application for an extension, please provide a brief outline of the reasons an extension is sought and the date by which you anticipate being in a position to produce the material sought.
