Good morning Seabass (& Erin),

[REDACTED]

I've been taken off the Review team here and put with an investigation team. Our priority job is S/F NEIWAND- renewed investigation into the three gay guys who were believed to have been thrown from the cliffs near Bondi during the mid-late 1980's. Apparently it is going to be a political and media-driven hot potato later this year, and the Boss wants to be able to say that his squad are further investigating the matter.

Why would I be surprised...

Hope that you and your families are both going well, and that the Shoalhaven aren't treating you too badly.

Regards,

Chad.
