Surry Hills LAC.

Good afternoon Cameron,

I have recently been advised that you are running S/F Parrabell; a review into the alleged deaths of a number of gay men in the Sydney area.

I just wanted to advise you that we have recently been assigned to S/F REIWAND, conducting investigations into the deaths of Gilles MATIANNI (1985), Ross WARREN (1989) and John RUSSELL (1989). All three were gay men who were known to attend the Marks Park area at South Bondi. The deaths of WARREN & RUSSELL have been ruled as being homicides at an inquest held in 2005.

Should you happen across evidence or information pertaining to the above deaths of MATIANNI, WARREN or RUSSELL during your investigations would you please forward them on for my attention, and I will do likewise for any other matters which may relate to your more broad investigation.

Please feel free to contact me should you need to discuss further.

Regards,

Steve Morgan
