Hi Mick,

Dr Derick Dalton has been contracted by the NSWPF to review the findings of Operation Parrabell - I expect them to be collaborative and fair. Given the connection between Parrabell and the Unsolved Homicide Team, would you like to meet with him? I can also make myself available as I will be at Parramatta next week. He is flying to Sydney from Adelaide and is available on Thursday 20/10 during the afternoon.

Could you let me know your thoughts.

Thanks
