Hi Strath and Zdenka,

Will amend.

Once the Commissioner has approved the wording also, shall I respond to Rick Feneley or would one of you prefer to? (He has approached me directly with the same request but seeking comment from Mick Willing)

Kind regards,

I am fine with that Mick. We need to take the heat out of this thing while recognising the good work of our people. Just a bit of grammar in the first line - should be "has" not "have".

Z and Strath,

Below words for consideration. I am happy to own the comment subject to the Commissioner's view.

"Detective Chief Inspector Pamela Young is an experienced officer who, along with her team, have worked hard on this case and conducted an outstanding investigation.

Perhaps some of her comments (on Lateline) were inopportune in light of the Coroner's decision yesterday to hold a third inquest, a decision that is fully supported by the NSW Police Force.

In light of that decision yesterday it would be inappropriate to make further comment."
