Wow-you must be so proud of her. Besides, handbags play a vital role for a successful woman! The Johnson family have written to the CoP asking that I be taken off the case due to a comment I made on Lateline last night (Mon) that the former police minister gave them priority over other victim families. Lateline followed up with Gallacher tonight & he didn't look good. Hope I get forthright support but know how these things go. Safe & happy trip to you both. Pam

Pam , you have my support 150%. I will talk to Frank who is doing my job ASAP to shore up support in my absence. Pls let me know how it goes. I regret not being there right now. We're back 1 May. Love your work. Do not back down, you are in the right , you're entitled to support. Pls let me know if they attempt to move you out. This happened because of the cowardice of Cath burn, AS and Jenko not going with u or supporting u as they should have. Gallacher has no morals whatsoever. Talk soon.
