Subject: POSITION(s) required by Bias Crimes staff [DLM=Sensitive:Personal]

Good Afternoon Tracey,
c.c Mr Hurst

We have just concluded a meeting between the Bias Crimes Unit and A/Supt Dave Lenzo of the Counter Terrorism Command, CT have effectively taken over the three Bias Crime positions as of last Monday 22/5/17.

The issue facing all three officers is that they have indicated that travel/distance associated with joining the Fixated Persons Unit, CT Command at Hurstville is too great. I am seeking your assistance in finding them new Authorised Positions:

Sergeant Geoff Steer (Reg'd No [REDACTED]) - Relinquishing position **SAP** [REDACTED]

Geoff wishes to transfer to a vacant Sergeants position in General Duties. Given the extraordinary reengineering circumstances, the Command would be willing to release Geoff 'on loan' in the interim. That being a date negotiated with CT Command.

His LAC preferences are:

1. Hawkesbury
2. Quakers Hill
3. Penrith
4. Blue Mountains

Senior Constable Nathan Corbett (Reg'd No [REDACTED]) - relinquishing position **SAP** [REDACTED]

Nathan was recently selected on merit to take up a HDA position for State Coordinator, Crime

Prevention Team, Operational Programs (SAP [REDACTED]) on 19/5/17. The position will be vacated by Sgt Leah Archer who is on course to accept Mobility at SCC in August and will go over on loan from the 11/6/17.

The position of State Coordinator, Crime Prevention could remain vacant for up to twelve months and we have canvassed it as a possible S66/67 Temporary Appointment. Such a move would give Nathan some stability through the phase 1 and 2 of re engineering. This is our preferred option for Nathan.

Aaron Gallagher (Reg'd No [REDACTED]) - currently in SAP [REDACTED]

Aaron has only been with the Command for four months. There are no other Clerk 3/4 positions in Operational Programs. Concerned for the security of his position, Aaron would prefer to accept an equivalent position in State Crime Command or a LAC rather than travel to the proposed location for Fixed Person Unit at Hurstville. I will shortly email an inquiry on his behalf to Ch/Insp Matt McCarthy at SCC Intelligence Directorate advising him of the recent changes. Your assistance in relocating him to an equivalent position would be appreciated.

Any support or advice you can provide the Command or the Officers in the midst of this current dynamic environment is appreciated.

Regards

Chief Inspector Matt Hanlon | Coordinator | Operational Programs | MEIG
