In other words there is so much press around "unsolved gay hate crimes" just curious to know the official police line on this THANKS

Hi Em. I don't know if I can get my hands on that right now but I'll chase it and we can address it at press conference morning.

My deadline is tonight I think you know there are a bunch of former cops out

Hi Em. I don't know if I can get my hands on that right now but I'll chase it and we can address it at press conference morning.

My deadline is tonight
I think you know there are a bunch of former cops out there claiming NSW police have 88 cases unsolved but I think that figure is wrong ??

I know your deadline is tonight but it needs to be right and if I can't get it for you quickly enough I'd hate to see you use bullshit info from ex cops just because it was to hand. Standby.

You know I wouldn't do that
But others would and are

Yeah that's fine. 88 is
nowhere near it but I'm
chasing.

Last I recall it was 8

Honestly

Can I quote "police media" or
some such

?

Hi Emma, I've just sent through edited copy with questions inside. Cheers, Clare

Ok. Will get back to you shortly

12 Dec 2016 at 07:13

Morning Emma, I've just got in and working on the story. How are you going with the questions and additions?

I've been working on it most of the night just verifying facts in the now three police reports I have .. almost done

My goodness! Poor thing. Well done. Talk to you soon.

12 DEC 2010 at 09:20

I've sent it through

Thanks Emma, I'll work to incorporate additions and then send to legal.

Ok thanks

I'll start on the timeline

I love the additions. Really powerful stuff

Just spoke to commander of homicide Mick Willing to confirm it ok to use his quote re "outstanding work" he doesn't want to be quoted on this but he said his hope was that all the "rubbish" disseminated by the family is finally put to rest with Scott

It only he'd be quoted on that!

I can pepper his comments through tomorrow's piece on Pam young as senior police source

Great 👍

Quick query:

Shortly before that, Steve Johnson donated \$1.6 million to Professor Street's faculty at Macquarie University.

"I don't know whether [Steve] said that was a reward for that [posthumous PHD award] for what we'd done for him". WHO DID HE TELL THIS TO?

Pamela Young. Witness
statement from 2013

Thanks

Did Pamela say this to you on
the show or prior?

"The fact that our relationship
has broken down is a point of
sorrow for me. It has never
happened with any other next
of kin, as we call them, never,
ever. In fact many next of kin
and I, we catch up regularly
and we speak to each other.
So I was disappointed that
our relationship broke down,"
she told

Don't worry about the last
one, we worked it out. The
story is live!

I have just received a message to be over there at 10.15am so I would have to post pone anyway. I am really sorry. Again I can do any time tomorrow.

Does 10am tomorrow suit?

That is fine Emma. Again my apologies.

No problem at all
