3. About 2.00pm today, Saturday, 6th of May, 1989, I was standing in my bathroom which has a window which overlooks the car park at the rear of our units. I looked out the window and I saw a guy, who was in the carpark, jumping up at the back of the units and trying to grab hold of the white drainpipes at the rear of the unit. He didn't succeed the first time but then he managed to grab hold of the pipes.

4. I watched him for awhile and I saw him climb up the drainpipe to about the third floor. Then I looked away for a short while and when I looked back I couldn't see him anymore. I would describe this guy as being thin, with browish blonde hair, late 20's, he was wearing white sneekers with a red stripe black tracksuit pants and a light blue shirt and he had tattoos down his left arm. I have never seen this bloke before.

5. About 7.00pm tonight I attended Kings Cross Police Station to make a statement about what I saw and I saw the bloke I have just been describing sitting in the Detectives Office. He is wearing the same clothes as he had on when he was climbing up the drain pipe.
