On the 10/09/2010 DSC Hungerford contacted Dr ANDREW. He advised police that he was the Doctor of Arthur ASHWORTH from a long period of time. Last seen in 2005. In relation to DNA he had sent ASHWORTH's blood a number of times to Handley and Moyer Pathologists a number of times for blood samples however stated they would be destroyed. He did not send him for any tissue samples.

In 2004 he was admitted to the RNSH for fainting spells.

He recalled that ASHWORTH had told him he had a very traumatic experience in his life at some stage however can not recall if he was told the details. Stated in the last years of his life he was with an Asian male by the name of **I55**.

The Doctor believed that **I55** was taking ASHWORTH for all his money and had the feeling from taking to ASHWORTH that **I55** had something to hold over ASHWORTH and was in effect blackmailing him. He has no proof of this. **I55** took ASHWORTH to another Doctor in 2005/2006.

The Doctor has **I55**'s mobile phone number as being **[REDACTED]**
