At 11.10am on the 23/09/2010 DSC Hungerford spoke to **I56** on the phone. He stated he had not seen ASHWORTH for 5 or 6 years and did not know he was deceased until police told him.

He stated he knew Arthur ASHWORTH through a friend of a friend in Kings Cross in 1969 to 1970 became friends. Arthur would regularly take him to dinner as he did not want to eat by himself. He stated they were only friends however he suspected that Ashworth was a Homosexual Male. **I56** was of German background and Ashworth was a school teacher and liked to practice talking German to **I56**.

**I56** remembers having dinner with Ashworth about 2 weeks after the murder in Mosman. Ashworth told **I56** about a friend of his who was a jockey who had been murdered and he had located the body. Ashworth was upset whilst telling this to **I56**. **I56** had never met the deceased and did not know his name. At this time he described Ashworth's health as reasonable and he was still traveling overseas until he was 80 years old.

He stated that at some stage Ashworth had told him he had put **I56** in his Will but never heard any more about it. When asked was there any reason he was removed from the Will and he told police none that he knew of other than he had not kept in contact with him when he became mor frail. Most contacts were made by Ashworth to him.

He last saw Ashworth and he was very frail and had been dizzy. He was with a carer having dinner at a club. The carer was a male of asian appearance.

He could not recall any other friends of Arthur ASHWORTH's that police could talk to.
