Subject: Forensic Review William DUTFIELD

I have organised a forensic review for **Wednesday 9 June 2010 at 12 midday at SCC Parramatta Level 8B Homicide Room.**

Attached are some details of the matter. There are a number of good exhibits still on hand that appear not to have been tested.

(See attached file: forensic review.doc)

Will take a short time to open document has photos attached.

Fingerprints: Craig or Fiona sorry I could not get a hold of either of you and everyone else could come so I have arranged it for the above date and time. If you can not come can you get someone else to come in your place.

Regards,

Stephen HUNGERFORD | Detective Senior Constable
