Dear Elizabeth

Further to the below, I am writing to provide a further update in relation to the outstanding matters in relation to Summons #31.

In relation to the 3 x archive boxes that had been identified as being registered with State Archives and relating to William Dufield, I am instructed that the boxes identified (being B/2011/7906; B/2004/3810; and B/2004/3811) were the original archive box references which were destroyed following the re-investigation of the matter, and the material that was contained within them was stored in new archive boxes which have already been supplied to the Inquiry. I am instructed that those archive boxes are:

B/2015/5508 – transferred to SCOI on 2 June 2022.  
 B/2015/5509 – transferred to SCOI on 2 June 2022.  
 B/2015/5510 – transferred to SCOI on 2 June 2022.  
 /2015/5511 – transferred to SCOI on 2 June 2022.  
 B/2012/2612 – transferred to SCOI on 2 June 2022.  
 B/2014/10577 – transferred to SCOI on 2 June 2022.  
 B/2004/3160 – transferred to SCOI on 2 June 2022.  
 B/2006/7670 – transferred to SCOI on 2 June 2022.

It is apparent that the original archive box references were not updated and therefore they were identified however were not able to actually be located.

Of course please let me know if you require any clarification.

Kind regards

Dear Elizabeth

I am writing further in relation to Summons #31.

**In relation to Item 1:**

Provided by way of Dekko today will be:

- Full E@glei brief in relation to Strike Force Hamish (including all Investigative Files for the period 01/12/10 – 02/12/13, being the period of the investigation)
- COPS Profile of William DUTFIELD
- Pre-COPS (Microfilm) converted event records as follows: Murder – E904029103865; Robbery – E90402913641.

No further electronic material can be identified in relation to Strike Force Hamish or the death of William Dutfield.

The following archive boxes that were previously provided to the Inquiry have been identified as possibly containing investigative files in relation to Strike Force Hamish & William Dutfield:

B/2015/5508 – transferred to Inquiry on 2 June 2022  
 B/2015/5509 – transferred to Inquiry on 2 June 2022  
 B/2015/5510 – transferred to Inquiry on 2 June 2022  
 B/2015/5511 – transferred to Inquiry on 2 June 2022  
 B/2012/2612 – transferred to Inquiry on 2 June 2022  
 B/2014/10577 – transferred to Inquiry on 2 June 2022  
 B/2004/3160 – transferred to Inquiry on 2 June 2022  
 B/2006/7670 – transferred to Inquiry on 2 June 2022

The following archive boxes have been identified as being registered with State Archives and relating to William Dutfield, however cannot be located at this time:

B/2011/7906  
 B/2004/3810  
 B/2004/3811

Urgent enquiries are in the process of being made to confirm the last known location of those boxes and the officer that last checked those files out, including direct enquiries with those officers if necessary.

Detective Sergeant Goyour & Detective Senior Sergeant O'Toole have been identified as the police officers that were involved in the original investigation of the matter. No records in relation to Detective Sergeant Goyour were able to be identified, however a Duty Book for Detective Senior Sergeant O'Toole was located. That Duty Book is available to be transferred to the Inquiry (we will write to Matthew Fletcher separately in that regard, given that that delivery will contain material associated with a number of matters).

**In relation to Item 2:**

The fingerprint file identified for the investigation of William Dutfield's death is recorded as being contained in archive box B/2017/13008. That archive box was transferred to Inquiry on 2 June 2022.

We respectfully request a further extension to 10 November to enable the enquiries in relation to the archives boxes that cannot be located at this time to be completed. Subject to that issue being resolved, there is no further material that can be identified as being responsive to Summons #31 at this time.

Of course, please let me know if I can provide any clarification.

Kind regards

**Subject:** FW: Special Commission of Inquiry into LGBTIQ hate crimes: Summons NSWPF31 - request for extension to 3 November [SEC=OFFICIAL:Sensitive]

Dear Elizabeth

I am writing by way respectfully seeking an extension of time for compliance with Summons #31, returnable 26 October.

An urgent request was made to State Archives for material responsive to the Summons. Material has been identified by State Archives but has not yet been returned. In addition, the electronic brief of evidence in relation to SF Hamish has been requested by our instructing officers however it is not yet available.

It is anticipated that the material returned from State Archives and contained in the electronic brief of evidence will include all material held that is responsive to both items 1 and 2 of the Summons.

It is anticipated that that material will be able to be provided to the Inquiry by 3 November, and we respectfully request an extension to that date.

Kind regards
