My full name is Robert Norman STEELE and I reside at [REDACTED]

[REDACTED] I am employed as a Supervisor at Emoleum Pty Ltd and have been there for the past twelve months.

At about 11.45am on Thursday the 24th August, 1978 I was standing on the edge of the cliff at North Head when I looked down I could see a body on the rocks below and the waves were washing over it. I then went to my car and called my Base over the two way radio ~~and~~ for them to inform the Police. I stayed there and when the Police arrived I showed them where the body was and then I left as I had to get back to work.
