Dear Caitlin

I am writing in respect of Summons #13, returnable today.

I am instructed that the only information/holdings that NSWPF has in respect of "David Arthur Lloyd-Williams" is that which is contained within the associated SF Parrabell "Case Summary" document that has been provided to the Inquiry, and that which is contained in the **attached** SF Parrabell "Bias Crimes Indicators Review Form" relevant to that matter. I am instructed that this is because this matter was considered by SF Parrabell based on anecdotal information only, and further information and holdings beyond those identified in those documents cannot be identified.

Kind regards

Patrick Hodgetts
