Dear Caitlin

I am writing by way of response to Summons #20, returnable 10 October.

I am instructed that it appears that only seven photographs were provided to investigators, despite a reference to fifteen photographs being contained in the investigator's note. Those seven photographs have been located on the police E@glei system, and were included with the SF Parrabell E@glei file previously provided to the Inquiry (brief reference number 1.1.62).

A separate copy of those photographs is **attached**.

Kind regards
