

New South Wales Police

STATEMENT in matter of:

Place: MANLY POLICE STATION

DEATH OF ANDRE RONALD CURRIE

Date: 13 DECEMBER, 1988

Name: GB
(Surname in capitals)

Address: [REDACTED] Manly Vale Tel. No. Nil

Occupation: Unemployed. STATES:-

1. I last saw Andrew about between 10 and 11 o'clock last night (12/12/88). He came to my place around 8.30pm. We spoke for a while, had a cuppa. He appeared to be under the influence of a drug, being very slow and slurred speech. He had said to me that he had 25 Nembudeine tablets that morning/during the day. I had asked where the 'N' (Nembudeine) was, he said that he had none left. I then patted his pockets and heard a rattle and I knew that he had some on him and then ~~said~~ he said he had some on him and only had three. I said that he had to have more than that, from the sound of the rattle. He was going to show me but I said not to worry.

2. When he was leaving he asked me to ring him, I said, 'no', I'm not ringing him, come around in the morning, get your brother to wake you up'. I said to come around at 8.30am, he said, alright

3. I have known Andrew for 13 years as a good friend. During this time I have known him to use various types of drugs from grass to the occasional use of Heroin, when he saved the money but it was mainly the 'N's (Nembudeine), quite frequently, every day or every second day. He has cut back in the last few years.

A SIGNED STATEMENT IS CONTAINED IN OFFICIAL NOTEBOOK NO.F45354 ISSUED TO CONSTABLE P.D.GREENHALGH ATTACHED TO MANLY POLICE STATION.
