Narrative	<p>Loc 1 - Cleveland Inn Hotel, 433 Cleveland Street, Redfern</p> <p>Information has been received from a source known to me that a number of assaults are being committed on persons who drink at the Cleveland Inn Hotel, corner of Cleveland Street and Bourke Street, Redfern. It appears that a group of young white males, not further described, are preying on drinkers leaving the hotel. Other street people in and around that area are also being targeted by the offender/s. My source believes the majority of these assaults are not being reported to Police. It is believed that staff at the Hotel may be able to assist Police with further information about these assaults and potential suspects.</p> <p>DETECTIVE SERGEANT TANOS.</p>
