

New South Wales Police**Statement in the matter of : CARL STOCKTON****Place:** St Vincent's Hospital, Sydney**Date:** 18/11/1996**Name:** Dr Clive Woolfe**Address:** C/- St Vincent's Hospital, Victoria St., Darlinghurst 2010.**Occupation:** Medical Practitioner**Tel. No:** [REDACTED]

1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in court as a witness.

The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have willfully stated in it anything which I know to be false or do not believe to be true.

2. I am 29 years of age.
3. I hereby certify, I am a Intensive Care Registrar. I have a specialised knowledge based on my training, study, and experience as a ITU/ Anaesthetic Registrar for the past 4 years.

I hold qualifications in:

1. M.B.
2. FFARCSI
3. MMed Sci

4. On the 7/11/1996, I attended to a male patient, Carl Stockton, at St. Vincent's Hospital, Sydney following a head injury.
5. On admission the patient was suffering from a head injury, skull fracture, raised intracranial pressure.
6. Examination/test/information is based upon: clinical examination, CT- scan, operative report, Intensive Care Monitoring.
7. Based wholly or substantially on my specialised knowledge, I am of the opinion that Carl Stockton had a severe head injury with raised intracranial pressure that required intensive care admission.
8. From the date of admission the patient's condition deteriorated. He died on 11/11/1996.
