On 13th May, 1976 while on duty at the Sydney Hilton Hotel
 I received instructions at about 1930 hours from Mr. David

 of room 3117, Mr. M. Stewart.
 At about 2010 hours the same evening, I was approached by
 Constable Fyson and partner from the Manly Police.
 Constable Fyson requested access to room 3117 to examine its
 contents for the purpose of establishing the identity of its
 occupant. I took both officers to room 3117 and remained

 An inventory of all personal effects was taken prior to being
