## WHO STATES:-

Whilst on duty at the hotel on 13th May, 1976 about 1845 hours, as a result of certain information received, I had occasion to search room 3117 which was registered to one male person M. Stewart of [REDACTED], Upper Edward Street, Brisbane, Queensland 4000. Date of occupation was listed on hotel documents as 9th May 1976 and the contracted date of departure agreed to by Stewart was listed as 11th May, 1976.

Amongst personal effects in a suitcase I found a British passport Serial No. C766306 describing the owner as being the above named, date of birth being recorded as 18 July, 1957 and physical features as being 5'11" tall blue eyes and complexion fair.

Some time later that evening I made a phone call to Manly Police station and I had a conversation with Constable Fyson.

I later issued certain instructions to my duty officer Mr. W. Muirhead.
