Hello Caitlin,

I hope this reaches you well.

After reviewing the attached letters, I have sought to locate such records however regret to advise they are no longer available. Records for our guests as well as any security incidents are kept for a period of ten years and therefore these records no longer exist. This matter has been confirmed by our senior leaders for both our Front Office department and Security department.

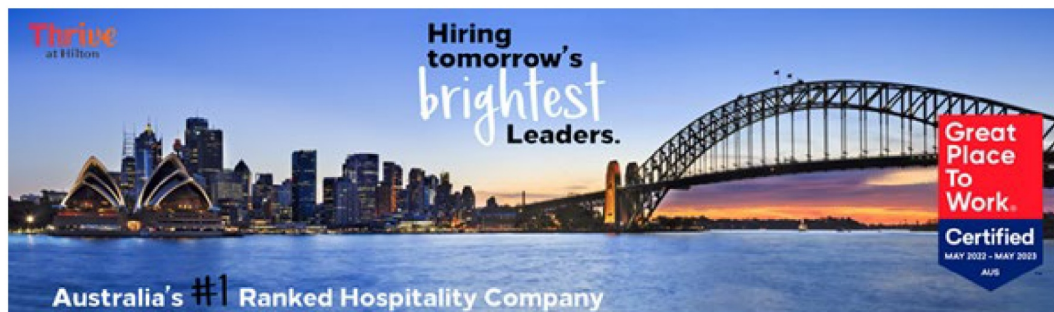

Please let me know if you have any further queries into the matter.

Kind regards  
Amelia
