Boss

As discussed previously we had a list of 5 matters that we were unable to locate any records for. After speaking to Cameron today - we have dwindled that down to 3 matters

\* **Peter SHEIL** - We can confirm that Peter SHEIL did exist and his death is on file. We have confirmed that there was an inquest held into his death on 01/09/1983. Unfortunately the NSW State Coroners Government Records Repository at Kingswood has indicated that the files are 'missing' and unable to be located.

So the reality is that we are down to 3 matters that are unlocated/unaccounted for. Not bad ? Cameron has done a great job finishing off these last matters and completing the reviews.
