- 1. I am aware that if I sign this statement and any part of this statement is un rue to my knowledge I may be liable to punishment.
- It was Thursday the 13 Februat 1986 that I had been to the Grand Hotel. I arrived there at about half nine to ten o'clock. When I arrived Bill ROONEY was there before I arrive and he was stillt there when I left there, at closing time and that was about twelve to half past twelve.
- the table. I have never seen the others before, two older blokes about 55-60 and two young girls in early to mid twenties. He was just drinking with them and having a yarn or whatever. They were having a good time.
- that he had been up at Annabell's about ten to eleven, but I didn't see him go out, but he was at the hotel when I left and he was pretty full, but alright. He was still walking around but full.
- Teft the place with a mate I only know as Jim and we went to Images. That is above the I'lawarra Leagues.
- I have known Bill for about a year. He had been a sort of a mate through my brother as that was how I met him. I didn't where know eher he lived, or anything like that. I have seen him gettin pissed, and I have seen him get to the stage that he is passed being pissed, but he dosen't fall over and things like that he normally stays on his feet. He is fairly heavy drinker. I think that he is a single guy.
- I declare that no part of this statement is untrue to my knowledge. I know that this statement may be used in legal proceedings. It accurately sets out the evidence that I would be prepared to give if necessary in court as a witness.
