Name: LAVENDER. Annette. Robyn. (Surname in capitals) Ambulance Station Wollongong. Tel. No.	E.	NT in matter of:	Place: Wollongong Ambulance	
Address: Ambulance Station Wollongong. Ambulance Officer. My full name is Annette Robyn Lavender. Iam Ambulance Officer Stationed at Wollongong. About 8.53 am on Friday 14 February, 1986 I was called to the rear of L & B Store in Crown Lane, Wollongong, to a person who had fall from a roof. On arrival there I saw a male person lying at the base of steps unconscious. He was wearing blue jeans and blue collared tee shirt and no identity. Haemorrhage from from left ear canal. Abrasion to left arm medial and right lateral back area. His nose was also bleeding. All the haemorrhage had congealed. There was large amount congealed blood lying around the upper region of his body. From my observations I determined the male person was suffering from a fractur skull. I also noticed that his right leg was wedged under the down pip of the toilet. Witnessed. Witnessed. M.T.Tranby Constable Wollongong Police Station	ре пе	ath of Rooney.	Station.
