Mr M A G Tedeschi, QC
Crown Prosecutor
Locked Bag 8
PO SYDNEY SOUTH 2000

Dear Mr Tedeschi

Mr Craig Hyland of the Department of Public Prosecutions, has asked Inspector Ainsworth of Wollongong Patrol to forward the enclosed brief concerning the murder of William Anthony Rooney to you for assessment.

Your opinion would be appreciated on -

1. whether Mark Anthony Scerri could be charged with murder on the available evidence, or
2. or whether the offering of a reward should be offered by the NSW Government in an attempt to gain further evidence.

Please return the brief to Inspector Ainsworth with the details of your assesment of the matter.

Yours sincerely

P J Cassidy
