FRENCHS FOREST, 2086.

25th June, 1990

Dear Mrs Wark,

Re/ The death of Simon Blair Wark.
Date of Death: between 9/1/90 and 10/1/90.

I am in receipt of the completed brief and final report from the Officer In Charge, Constable L. Ford of the Sydney Water Police and I enclose a copy herewith.

Having perused the completed file I am of the opinion there are no suspicious circumstances in relation to the death of Simon and I believe this is a matter that can properly be dispensed with.

In the absence of any further evidence being produced in this matter I propose to dispense with the holding of a formal inquest. I will hold the file for one month from this date pending correspondence from you offering further evidence and /or setting out reasons for a formal inquest to be held.

Yours faithfully,

(D.W.Hand)
Deputy State Coroner.
