Statement in the matter of: **Death of Unidentified Male D16563**

Our Ref: FS770183

1. I, Carole FIELD, am employed at the Forensic Biology/DNA Laboratory of the NSW Health Pathology Forensic & Analytical Science Service, Joseph Street, Lidcombe.
2. My scientific qualifications are Bachelor of Science from Macquarie University, Sydney and Graduate Certificate in Forensic Genetic Genealogy from the University of New Haven, United States of America and I have specialised knowledge based on my training, study and experience.
3. I am over 21 years of age.
4. According to laboratory records, two swabs and two smears for this matter were received on 16 June 1977.
5. Records describing the examination and findings relating to the swabs and smears are retained in the laboratory.
6. The results of examination were provided in a report by Robert John Goetz dated 21 June 1977.
7. In 1977, the laboratory did not retain swabs and/or smears for long-term storage.
8. There are no records retained relating to disposal or dispatch.

A handwritten signature in black ink, appearing to read 'Carole Field', written over a horizontal line.
