Re: Alleged Murder of Walter John BEDSER

I, Paul Arthur CONNELLAN,

hereby certify as follows:

- (1) I am employed as a Forensic Biologist by the Health Commission of New South Wales. My scientific qualifications are Bachelor of Science of the University of New South Wales.
- (2) I made a scientific examination of the following articles received from Det. Sen. Const. B.C. McHugh of the Homicide Squad on the tenth day of December, 1980:
1. Blood sample - labelled: from Walter John BEDSER.
 2. Knife - labelled: found at scene at Darcy St, Parramatta.
 3. Swab - labelled: taken from showcase glass
 4. Swab - labelled: taken from floor behind counter
 5. Swab - labelled: taken from wall behind counter
-) at Darcy St,
Parramatta.
- (3) As a result of such examination I find as follows:
- The blood sample (item 1) labelled from Walter John BEDSER was group A, Hp 1-1, PGM 2-1 (subtype 2+1+).
- The knife (item 2) was stained with human blood of group A, Hp 1-1, PGM 2-1 (subtype 2+1+).
- The swabs (items 3, 4 & 5) were also stained with human blood of type Hp 1-1, PGM 2-1 (subtype 2+1+) however there was insufficient blood remaining for ABO grouping.

GIVEN under my hand at SYDNEY

this twenty second day of December, 1980.

P. Connellan
P.A. Connellan
Forensic Biologist

THE COMMISSIONER OF POLICE
