3.12.80	INTERVIEW OF JAMES KELAHER RE MURDER OF WALTER JOHN BEDSER.	SMITH & McHUGH.	
	About 11am on the 8.12.80		
	attended premises at Raffen &		
	Kelaher Auctions, 16-20 Larkin Street Camperdown, phne. There	,	
	spoke to James KELAHER, phne.		
	Kelaher informed us that the		
	deceased has been coming to his		
	Auctions for the past 2 to 3 years.		
	He only attends what is called the Fine Arts and Antique Actions which		
	are held on the Monday after Long		
	weekends and sometimes at night.		
	Kelaher would ring the deceased and		
	inform him when these Auctions were to be held. The reason he would		
	do this was that the deceased was		
	a good buyer at the Auctions.		
	Kelaher stated that the		
	deceased was a loner. He would		
	come to the Auctions and sit up		
	the back. He wouldn't speak to any of the other dealers and he		
	would bid privately. He has only		
	come to the Auctions twice with		
	other people. About 4 months ago		
	he was accompanied by a small Greek		
2	youth, solid build with dark curly hair. which fits the description of		
	NP58 on the		
	3.8.80 he was accompanied by his		
	mother. On this occasion he bought		
	an Electric Dolls House. The last time he attended the Auction was on		
	the 9.11.80. On this occasion		
	Kelaher thinks that he had another		
	young greek boy with him. This		
	boy is possibly 135		
	Kelaher suspected that the		
	deceased was a homosexual however the deceased didnot make any advances	1	
	towards him. The only other dealer	,	
	that he knows the deceased dealing		
	with was Bill Ellenden, Wentworth		
	Avenue, Sydney.		
	We attended Ellenden's Auctio	ns	
	however he was in Katoomba and won't be back until Thursday.
