	conducated the interview. She	
	states that she asked NP58 a series	
	of standard questions concerning	
	his claim. She was aware of the anonymous information at hand at the	
	time of this interview. She obtained	
	a signed Statutory Declaration	-
	from NP58 setting out his knowledge of the theft. In that Declaration,	
	NP58 states that the vehicle was	
	purchased by his father for him	
	with money he had borrowed from John BEDSER of Parramatta Antiques.	
	He added thatin July OR August	
	1980, he received a defect notice	
	in respect of this vehicle in respect of Tyres and Headlights.	
	He also suggested that when he	
	presented the vehicle for inspection	
	at the D.M.T., a discrepency was found in the engine number, which	
	was subsequently checked out by	
	Det. BRENT of Parramatta. He	
	indicated that he didn't have	
	any intention of disposing of the vehicle due to lack of funds and	
	denied having been involved in	
	anything unlawful in conmection	
	with his Claim. Mrs. ARITI then asked him some other questions	
	including the situation regarding	
	the finance in the purchase of the	
	vehicle. NP58 stated that all but \$200 had been repaid to BEDSER	
	and NP58s father told him that	
	NP58 should pay the remaining \$200.	
	NP58 stated that he had an argument with BEDSER because he was late in	
	paying this money, which he eventually	
	paid. Mrs. ARITI also mentioned to	
	NP58 about a Defect Notice in respect	
	of the said vehicle.	***************************************
	Mr Ross William THOMPSON	e.
	of Malankana	
	Telephone , A Repreentative employed by NRMA Telephone	
	was instructed to interview Mr.	
	John BEDSER about his knowledge of	
	the Claim made by NP58 due to his having financed the purchaseof the	
	car. THOMPSON was interviewed on	
	17/12/80 and he stated that he	
	spoke to BEDSER at the Shop on the	
	afternoon of 21/11/80. He had called at the shop earlier in the day but	
	was told by BEDSER's sister that he	
	wouldn't be at the shop intil later	
	that day, BEDSER admitted to THOMPSON that he knew NP58 and that he had loaned

	\$2,900-00 to a member of the	-
	Family of NP58 family for the purchase of the said car. BEDSER admitted	
	having heard something about the	
	theftof NP58's car but denied having	
	ever contacted the Parramatta or any other Office of the NRMA in	-
	connection with same. He also denied having been owed money in conmection	
	with that loan and produced a receipt	
	book and referred to a receipt on	
	23/9/80 for the sum of \$100-00	
	and suggested that the receipt referred	1
	to the last payment made. BEDSER	
	also denied every- having won the lottery. THOMPSON asked BEDSER	
	whether he knew a friend of NP58 s	
	named 42 . BEDSER did mention a	
	short foreign name to THOMPSON which he can't recall at this time.	
	ne can't recall at this time,	
	THOMPSON interviewed a	
	on 25/11/80 and obtained	<u> </u>
	a Statutory Declaration concerning	
	his knowledge of the theft of NP58's	71
	vehicle. In that Declaration,	
	l42 who is about 18 old	
	mentions that the following persons	
	were at the Belfield R.S.L. Club	
	with he and NP58 on the night of 27/9/80:	
		-/
	47 sister.	
	on 1st December, 1980	
	THOMPSON and SAMUELS conferred about the Claim, Both are convinced that	
	the anonymous information concerning	
	NP58's Claim is BEDSER. They are	
	happy that the Claim is fraudulent.	
	However, there is little supporting evidence to stop the Claim which	
	amounts to \$2,900-00.	
	On 16/12/80, Mrs. NP59 NP59 contacted the NRMA	
	and inquiried as to when the cheque	
	would be available. After discussions	
	with us, it is anticipated that the	
	NRMA with not settle the Claim until further inquiries are made. SAMUELS	
	is of the opinion that NP58 knows	
	who the anonymous informant was	
	and in fact knows it was BEDSER.
