Dear Bruce.

BRASS You probably think this is odd for
me to ask you this but would you
please play this tape. MRS NP59
COPPER I came into my shop last night after
I spoke to you and this was the
PORCELAIN result. I felt guilty in doing it
but I had no proof of anything.
GLASSWARE she has admitted everything on
the tape I had concealed.
SILVER if necessary. Legally can they be
used in court. please give
LAMPS me a ring to let me know how
I stand. I do feel low in doing
JEWELLERY this to anyone, but I'm a man
of principle as I told you.

Many thanks.
