30/12/80.	MR. ROBERT STEER INTERVIEWED RE LADY NAMED ZENA.	WAKEFIELD & PESZCZUK.
	<p>At 9.am this date contacted Mr. Robert STEER of I. Steer and Company, Auctioneers of 20 Hassell St., Parramatta re the person named Zena as it was suggested by Mrs. Shirley Driscoll that the woman named Zena may have worked for that firm.</p> <p>Mr. Steer informed me that there was no person named Zena working at that firm but there was a lady named Rita KAROOZ of 18 Grand Ave., Westmead, a tall fair headed lady of Swiss extraction working for them. She had worked there for the past four years as an office girl and at the present time was in Switzerland having left the country about one week prior to the murder of Bedser.</p> <p>It had been suggested by Mrs. Driscoll that the lady that was working for Steer and Company was going overseas and this is no doubt Mrs. Karooz that she was referring to, thinking that her name was Zena. NO FURTHER ACTION RE THIS PERSON KAROOZ.</p>
