Date: 27th January, 1998

Name: LING, Elizabeth Ann

Tel No.: [REDACTED]

Address: [REDACTED].

Occupation: University Lecturer.

States:-

1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in court as a witness. The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

2. My age is 40

3. On Tuesday the 27th January, 1998 I attended the Maroubra Police Station at about 3.30pm. I spoke with Detective Sergeant MATTHES who told me about a video that he wanted me to watch. I walked into an interview room with Det Sgt MATTHES.

4. In the interview room I watched a black and white video which appeared to be a security camera in the foyer of a club. Sergeant MATTHES pointed a male person in the picture out to me and I watched this person walk across the screen to the left, and then across the screen to my right and walk up the stairs.

5. From watching this video I am confident that this male person is not David ROSE because of the style of this persons hair was wrong, David had his hair always brushed back or in a pony tail, and never had a side part as did the man in the video. The other difference is that the male in the video walks differently, David walked in a clumsily manner where as the male in the video seemed to walk smoothly and confidently, the

general walking gait of the male in the video and David ROSE completely different.

6. In comparison to the man in the video, David had short legs and a longer upper body, where as the man in the video has longer legs and shorter body, I do not think that the facial profile is similar to that of David ROSE. The nose seemed similar, but the chin and forehead were a different shape.

7. The clothes that the man was wearing in the video are unlike any that I have ever seen David ROSE wearing, David often made a lot of his own clothes and as a result David's clothes appeared ill fitting and tight. David seldom goes out without his glasses, and the man in the video is not wearing glasses.

8. After viewing the video I am sure that the male person I saw in the video is not David ROSE.
