STATES:-

1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in court as a witness. The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated anything which I know to be false or do not believe to be true.

2. I am 55 years of age. DOB: [REDACTED] 1942.

3. I currently own and operate [REDACTED] Tyre Service Pty Ltd at [REDACTED]. I have owned that business for approximately seven or eight years.

4. On Saturday the 20th of December 1997 I was working at [REDACTED] Tyre Service at [REDACTED]. John Kafes came into the business on that day with a male person called Paul Hilton in a Toyota Landcruiser belonging to Hilton. We had previously put tyres on that vehicle between the 5th and 11th of December 1997. We had put one new tyre and three second hand tyres on that vehicle.

wheel alignment had to be fixed. I cannot recall the exact time that John and Paul came into the business but it may have been between 11am and 12 Middy. Paul would have been here for around half an hour on that morning.

6. Altogether I had met Paul Hilton on three occasions being the 5th, 11th and 20th of December 1997. I have not seen or heard of Paul Hilton since the 20th of December 1997.

7. I would describe Paul Hilton as being 45 to 50 years of age, shaved head, 5ft 9inches tall, fair to olive complexion, caucasian appearance, and medium build. On the occasions that I met him he was friendly and talkative. I didn't notice anything unusual about him on the 20th of December 1997.
