On the 12/02/2009, D/Sgt Tony SHAW from Eastern Beaches LAC (ph. [REDACTED]) contacted the office regarding the unsolved murder of David ROSE in 1997 at Kensington.

He stated he was given the investigation back in 2007 and by his own admission he has not conducted any inquiries into the matter. He informed me that the suspect in the matter Sandra DURWARD, died in 2006 and therefore his investigation was complete. He was informed that the necessary inquiries would still have to be undertaken regardless with the matter either put before the Coroner again if required, or a lengthy report completed and submitted to the Commander of Homicide outlining the inquiries and actions taken.

D/Sgt SHAW stated he would conduct inquiries and contact the office again if he needed to.
