- (3) About 3pm on Friday the 26th of April, 1985 I was walking along Darlinghurst Road, Kings Cross from the East Sydney Tech. I was walking towards the railway station at Kings Cross. When I was walking past a double storey building, which is on the corner of a laneway, and I saw this premises on television tonight.
- (4) I saw a man outside the premises whilst I was approaching and he was pacing up and down the pavement out the front of the house. He was looking inside a flat on the ground floor and the double doors of the flat were open. As I passed the flat I looked inside the flat to see what he was looking at, I saw what appeared to be the lounge room and a person sitting on the couch. I could'nt see if this person was male or female, I can't describe this person other than that they were dressed in cream.

- (6) As I passed he was just pacing up and down looking in the doors. I remember that he had a bag, which had a zup and two handles like a sports bag.
- (7) I declare that no part of this statement is untrue to my knowledge. I know that it may be used in legal proceedings. It accurately sets out the evidence that I would be prepared to give in Court as a witness if necessary.
