Statement in death of Wayne BRENNAN. Statement by Laurie BRADFORD. (Page two)

I would describe this person David as: 25 to 30old, young looking face, slim build, (I only saw him sitting down) he wore Mens size shirts (I knew this because I ironed some).

I do not know of any other close relationships that Wendy had. Wendy was very friendly with 1261, who was a drag queen, 1233 (sex ahange) and 1260 , 1261 's boyfriend. The above three were very good friends of Wendy.

I declare that no part of this statement is untrue to my knowledge. I know that it may be used in legal proceedings. It accurately sets out the evidence which I would be prepared if necessary to give in Court as a witness.
