Death of Scott MILLER

Place: The Rocks Detectives Office
Date: 20 March, 1997

Name: GREEN, Chloe Grace Iona

Tel No.: [REDACTED]

Address: [REDACTED]

Occupation: Barmaid

States:-

1. This statement made by me accurately sets out the evidence which I would be prepared, if necessary, to give in court as a witness. The statement is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

2. My age is 22.

3. I work at The Observer Hotel at 69 George St The Rocks as a barmaid. I have worked there for about 3 months. Before that I was working at The Glasgow Arms in Ultimo. I have worked in bar work for about a year.

4. About 12.30am on Sunday 2nd March, 1997 I was working behind the bar at The Observer Hotel when I looked up and saw two males at the bar. One of the males was leaning on the bar he had a flushed face and looked really drunk. He was resting his head on his hand and was nodding off to sleep. The male standing behind him was more sober than the other one but still noticeably drunk. The one standing behind asked for drink which I think was beer. I refused service as they were both obviously intoxicated.

5. The males remained at the bar and I went and spoke to Stephen SWART the shift manager who was also working behind the bar and told him about the males. I then continued serving people at the bar and didn't see the males again.

6. I would describe the two males to be both in their early 20s with fair hair and both quite tall. Both were wearing neat casual TShirts and jeans. The hotel that night was very crowded which is normal for time of day on the weekend.
